# SEGMENT

Photography by Street + Garden.

Designed by acclaimed Australian designer Surya Graf this GRC range allows you to create semi-circular or weaving seating patterns. Its minimalist and fluid design introduces curved contrast into the urban landscape. Three profiles are available to lend flexibility on the positioning and flow of the backrests.

Our four standard colours are: White, Kalgoorlie, Concrete Grey and Charcoal. Visit [quatrodesign.com.au](http://quatrodesign.com.au) for more information on our colour options, accessories, product specifications and drawings.
